Comment: Steeve Doubt:
If the survey is meant to be anonymous, how is possible to then follow up on survey comments during for example, an interview?

Comment: Steeve Doubt:
An issue is sectioning the survey. It is hard to decide whether to break up the sections by question style (ranking, numberology, ...) or by topic (personal information, events etc.)

Comment: Steeve Doubt:
organisational, leadership, communication - how do i provide concrete evidence for these questions?

12-3-26 4:41 AM

Comment: Steeve Doubt:
How much information can I get from a single survey? For example, is it possible to figure out WHY a meeting is inefficient, or not open tot he exchange of ideas?
